## **Intrastate Switched Access Services**

### **I. General**

This price list contains regulations, rates and charges applying to the provision of Intrastate Switched Access Services (the "Services") by Grande Communications Networks, Inc., a Delaware Corporation (the "Company"), with its principal office at 401 Carlson Circle, San Marcos, Texas 78666, for connection to intrastate communications facilities of Customers.

#### **A. Provision of Services**

The Services will be made available on a first-come, first-served basis to the extent that such services are or can be made available with reasonable effort, and the Company determines in its reasonable discretion that sufficient capacity and facilities are available to allow for the provision of such services. The Services provided under this price list shall not be used for an unlawful purpose or used in an abusive manner.

#### **B. Limitation of Liability**

The Company's liability, if any, for its willful misconduct with respect to any claim or suit, by a Customer or by any others, for damages associated with the installation, provision, termination, maintenance, repair or restoration of service shall not exceed an amount equal to the proportionate charge for the service for the period during which the service was affected.

The Company shall not be liable for any act or omission of any other carrier or Customer providing a portion of a service, nor shall the Company for its own act or omission hold liable any other carrier or Customer providing a portion of a service.

The Company is not liable for damages to the Customer premises resulting from the furnishing of a service, including the installation and removal of equipment and associated wiring, unless the damage is caused by the Company's negligence.

The Company's failure to provide or maintain services under this price list shall be excused by labor difficulties, governmental orders, civil commotion's, criminal actions taken against the Company, acts of God and other circumstances beyond the Company's reasonable control.

**II. Service Areas**

The Services shall be provided by the Company in the listed incumbent local exchange carriers' territories within the State of Texas:

SWBT  
Verizon  
CenturyTel San Marcos  
Windstream

**E. 8XX Number Portability Access Service (800 NPAS)****(1) Description**

8XX NPAs is an originating offering utilizing FGD trunk side Switched Access Service for the delivery of 8XX calls. 8XX NPAS is intended to allow Grande to route 800 calls to the appropriate 8XX Service Provider. 8XX NPAS allows end users to originate calls on a 1+ basis without the use of an access code. The 8XX NPAS Provider will be identified from the dialed 800 number (i.e., 1+8XX+NXX+XXXX). The 8XX Service Provider has the option of receiving the dialed 8XX number (i.e., 1+8XX+NXX+XXXX) or a translated ten-digit POTS number (i.e., 1+NPA+NXX+XXXX).

**(2) Rate Regulations**

The following rate element is applicable to 8XX NPAS: the 8XX NPAS Query provides the customer identification function required to determine the appropriate routing for each 1+8XX+NXX+XXXX call. The 8XX NPAS Query rate applies per call for each 8XX query that returns a valid Carrier Identification Code (CIC).

**(3) Rates and Charges**

## Rate per Query
