**D. Meet Point Billing Switched Access Rates**

**(1.) Statewide Average Switched Access Rates Pursuant to PUC Subst. R. §26.223(d) - PUC Docket 37178 apply to Grande's Meet Point Billing Switched Access Rates**

**E. 8XX Number Portability Access Service (800 NPAS)****(1) Description**

8XX NPAs is an originating offering utilizing FGD trunk side Switched Access Service for the delivery of 8XX calls. 8XX NPAS is intended to allow Grande to route 800 calls to the appropriate 8XX Service Provider. 8XX NPAS allows end users to originate calls on a 1+ basis without the use of an access code. The 8XX NPAS Provider will be identified from the dialed 800 number (i.e., 1+8XX+NXX+XXXX). The 8XX Service Provider has the option of receiving the dialed 8XX number (i.e., 1+8XX+NXX+XXXX) or a translated ten-digit POTS number (i.e., 1+NPA+NXX+XXXX).

**(2) Rate Regulations**

The following rate element is applicable to 8XX NPAS: the 8XX NPAS Query provides the customer identification function required to determine the appropriate routing for each 1+8XX+NXX+XXXX call. The 8XX NPAS Query rate applies per call for each 8XX query that returns a valid Carrier Identification Code (CIC).

**(3) Rates and Charges**

Rate per Query

800 NPAS Query.....\$.002531

**IV. Payment of Charges**

The Carrier Customer is responsible for the payment of all charges for access service furnished to it by the Company.

The Carrier Customer terminating its access arrangements with the Company is responsible for compensating the Company for all costs of blocking (where blocking is requested by the Carrier Customer), the PIC change charge, if any, incurred by the Company as a result of the Carrier Customer's termination of service to that Shared Customer, and all additional costs associated with this process.

The Company reserves the right to assess late payment charges for Carrier Customers whose account(s) carries principal owing from the prior billing period. Any charges not paid in full by the due date indicated on the billing statement may be subject to a late fee of 1.5% per month.

Recurring monthly charges may be invoiced one month in advance. Invoicing cycles are approximately thirty (30) days in length.

Carrier Customers must notify the Company either verbally, in person, or in writing of any disputed charges within thirty (30) days of the billing date, otherwise all charges on the invoice will be deemed accepted. All charges remain due and payable at the due date, although a Carrier Customer is not required to pay disputed charges while the Company conducts its investigation into the matter.

**Late Payment Fee**

A late payment fee of 1.5% will be applied to service charges not paid by the due date of the bill. The late payment fee will not be applied to previous late payment charges that have been assessed but remain unpaid, but will apply to the accumulated amount for which the Carrier Customer is in arrears. This late fee may be assessed only once per bill for services rendered.

**Contested Charges**

All bills are presumed accurate, and shall be binding on the Carrier Customer unless objection is received by the Company no more than thirty (30) days after such bills are rendered. In the event that a billing dispute between the Carrier Customer and the Company for service furnished to the Customer cannot be settled with mutual satisfaction, the Carrier Customer may contact the Company in person, by telephone or in writing, and take the following course of action:

First, the Carrier Customer may request, and the Company will provide, an in-depth review of the disputed amount. (The undisputed portion and subsequent bills must be

paid on a timely basis or the service may be subject to disconnection.)

Second, if there is still a disagreement about the disputed amount after investigation and review by the Company, the Carrier Customer may file an appropriate complaint with the Public Utility Commission of Texas. The address of the Commission is: Public Utility Commission of Texas, 1701 N. Congress Ave., Austin, TX 78711., Telephone (512) 936-7000, Toll-Free (888) 782-8477.
